ARTS COUNCIL

- **CURRENT WORSHIP CENTER ART EXHIBIT FEATURING NICOLETTE NELSON AND JOHN GUAGLIANO ENDS JULY 17**
Make plans to stop by the foyer of the Worship Center this Sunday to take a look at the latest exhibition of the Beatitudes Arts Council. This exhibition is a combination of work by local artists, Nicolette Nelson and John Guagliano. The works explore the central theme of the cross as the principle symbol of the Christian religion. The weight of the each cross is juxtaposed with that of the plants, recalling Jesus Christ's Crucifixion and the redeeming and live-giving benefits of his passion and death. Each cross is handmade using wood and metal from recycled materials. Some are embellished with crystals, stones and other materials of interest and color. Drawing on her interests in art history and color theory, Nicolotte's organic and natural works contrast the rudimentary yet determined metal works of John, emblematic of our Christian struggle to balance the traditional with the new. To purchase a work, please contact Beatitudes Arts Council member, Marcia Nix, at 602-274-8992. Thirty percent of the sale price helps to fund art projects at Church of the Beatitudes.

BE THE FIRST FACE OF BEATITUDES AND GET A COOL NAMETAG TO WEAR! USHERS NEEDED!

Did you know that a new visitor to our church determines whether or not they will engage and return in just 10 SECONDS after entering our doors?? Those are a crucial 10 seconds for the future of our church. Some might even say it's one of our most important ministries.

Our ushers are the first faces of Beatitudes that new visitors and our members see when they enter our worship space. And now that our COVID-19 restrictions have been lifted, let them see your bright smiles as well! What an opportunity to show others why you love Beatitudes!

If you want to be that first face and like getting to know more people, this opportunity is for YOU! Please consider volunteering as an usher. It's easy, fun and a great way to match faces and names, welcome visitors to our Beatitudes community, and help people with information and directions. To volunteer with our usher group or re-engage if you've previously served, please send an email to jtapphorn@beatitudeschurch.org for more information. Thank you for your consideration!
